

IV21

32nd IEEE
INTELLIGENT
VEHICLES
SYMPOSIUM

The 32nd IEEE Intelligent Vehicles Symposium

Certificate Letter

Dear Sir or Madam,

I am Chunzhao Guo, the Program Chair & the Award Chair of 2021 32nd IEEE Intelligent Vehicles Symposium (IV21). This is a certificate letter of a finalist for IV21 Best Student Paper Award.

I confirm that the IV21 paper "Separated Proportional-Integral Lagrangian for Chance Constrained Reinforcement Learning." by Baiyu Peng, Yao Mu, Jingliang Duan, Yang Guan, Shengbo Eben Li, Jianyu Chen from Tsinghua University, has been selected as one of the finalists for the Best Student Paper Award at the 2021 32nd IEEE Intelligent Vehicles Symposium, July 11-15, 2021, in Nagoya University, Nagoya, Japan. There are totally 3 finalists for the Best Student Paper Award out of the 220 accepted papers.

With best regards,

Chunzhao Guo
Program Chair & the Award Chair
